Criminal Records Check:

As provided by law, PSI requires criminal records checks as a precondition of employment of personnel to provide services involving care and custody of children. In connection with this requirement, the applicant will be expected to:

- Provide evidence of residency in Ohio for the 5 years prior to the criminal records check. If the applicant resided elsewhere, criminal history information will be requested from the Federal Bureau of Investigation;
- Obtain and submit to PSI a set of fingerprint impressions obtained by law enforcement authorities. Impressions and identifying data must be submitted on forms provided for this purpose by PSI;
- Pay any fees charged by government agencies for the required background check and subsequent report to PSI.

Note: Criminal records reports obtained by PSI will not be made available to any person other than employees of PSI authorized to participate in employment-related activities. In the event that an applicant is not employed, PSI will destroy all records pertaining to the criminal records check.

AGREEMENT

I declare the information provided by me in this Application is true and complete to the best of my knowledge. Falsification of this Application is grounds for disciplinary action up to and including discharge. I hereby further acknowledge that PSI has explained that this Application does not, individually, constitute an employment agreement. I also understand that only the President of PSI is authorized to enter into written employment agreements.

I authorize the investigation of all statements contained in this Application for Employment as may be necessary in arriving at an employment decision. I also agree to comply with requirements associated with the criminal records check which may be necessary as a precondition of employment.
